AREA 61 CONVENTION SURVEY

At the Spring Assembly in 2015, the Area 61 Convention Task Force presented their recommendations on holding a convention. Some of these recommendations were:

- To hold a yearly Convention around the same time frame
- That the first 3 years we use the same venue.

We are now planning our first convention for October 20, 21, 22, 2017 at the Chula Vista Resort in Wisconsin Dells and are considering holding the second convention October 19, 20, 21, 2018, at the same venue.

Also 2018 is the year of the next Al-Anon International Convention held in Baltimore, Maryland, July 5-8. And Area 75 AA will be holding their 2018 Fall Conference at Chula Vista on November 2, 3, 4, 2018.

Based on the above information, we ask that you answer the following questions so that we may better plan for the second Area 61 Convention:

1.	Are you planning to attend the 2017 Area Convention?	Yes	No
2.	Are you planning to attend the 2018 Al-Anon International?	Yes	No
3.	Are you planning to attend the 2018 Area Convention?	Yes	No
4.	Are you planning to attend the 2018 Area 75 AA Fall Conference?	Yes	No

You may email your answers to pastdelegatecathyt@area61afg.org by just listing the numbers in the message along with your answers and sending by September 20, 2016.

OR

You can circle your answers above and hand them to the Convention Chair at the Fall Assembly on September 22, 23, 24.

If you are planning on attending the 2017 Area Convention and are willing to help by chairing a meeting, being a greeter, or volunteering where you could be of the most use, please sign your name, number, and email below. We need you.
