

## Redistricting Area 61 To help unrepresented districts

2/10/2013

To: Area 61 Policy Committee

Prepared by: Cathy Trojan, Delegate

There are four districts (13, 14, 16, and 17) in Area 61 that have had no representation for more than nine years. It is time for us to find a solution to this problem. One solution is to redistrict the area. I ask that you take time to review the ideas presented here and make suggestions or comments.

Three other districts (3, 9, and 10) do not have DRs at this time; however, they have had DRs during the past two panel terms. I don't feel that these districts need to be addressed at this time for redistricting.

Another concern is how to reach all groups with the assembly materials. We need to decide if it needs to be sent via post office or emailed.

Please realize that this is a way to have all groups represented at the area level by a District Representative and not to put more work and responsibility on current DRs in other districts.

Whatever is decided by the Policy Committee will need to be approved by the AWSC and the Assembly.
