

Memorandum

To: Cathy Trojan, Delegate, Wisconsin
From: Conference Leadership Team
Date: February 12, 2013
Re: Area Name

In December 2012, the Alabama Area officially asked the Board, via the Conference Leadership Team, to have its name changed to Alabama/Northwest Florida, as some groups in Northern Florida have always been part of Alabama. This request was approved, and the motion to officially change Alabama's name for WSO purposes will be presented to the 2013 World Service Conference.

Since the WSO is aware that a few other Areas call themselves by a name that is considered official to the Area, but not to the WSO, and since the WSO has the documentation that the groups in the Upper Peninsula of Michigan are officially part of the Wisconsin Area, the Wisconsin Area is being asked if it would like to officially ask the Board, via the Conference Leadership Team, to change its name. If so, please provide in writing a formal request to change your Area's name.

Please send your request via e-mail (afg@al-anon.org, Subject Line: Area Name Change) to the Conference Leadership Team by March 18, 2013, in order to be included in a motion presented to the 2013 World Service Conference.
