

# AREA 61 OFFICER REPORT

**Date:** August 1, 2015

**Event:** Fall AWSC

**Name:** Cathy Trojan

**District Number:** 9

**Position:** Delegate

---

## PROJECTS/GOALS:

This year, I am serving on the WSO Literature Committee. This committee consists of a Volunteer Chairperson, the Associate Director of Communications—Literature, Delegate members from each panel, and up to five at-large members per Committee.

We are currently working on these projects:

1. Our New Daily Reader - ...the AI-Anon program and its members as they are now.
2. Intimacy in Alcoholic Relationships
3. Parents and Grandparents of Young Problem Drinkers

There are writing guidelines available for each of these projects that can be found on the [al-anon.org/members](http://al-anon.org/members) website under the “Individuals” Tab/Featured Publications. There you will find the icon “Send Your Sharing” – Read More. Click on the “Read More” and there you will find various publications that you can submit a sharing for. These three projects are listed there. You have the choice of downloading a writing guideline for whichever piece of literature you may be interested in writing for and/or the option of submitting your sharing electronically.

Other items under discussion are:

- Updating the “Just for Today” bookmark and wallet card
- Revising the “Suggested Closing”
- How can we help members submit writings that reflect the inclusiveness of our program?

I would like to see everyone here submit at least one sharing for any of the current projects. I was hoping to have a Writing Workshop either today or at the Fall Assembly. Perhaps that is something that could be done while the election votes are being tallied.
