DISTRICT 1:

Just want to share the tentative date for our January workshop is Saturday January 18th.

Thank you, Brenda M., District 1

DISTRICT 4:

Greetings from district 4

We continue to work with local professionals to bring in al-anon members to speak to families affected by alcoholism. It has been quite rewarding to those who have participated.

Thanks! Laura Koenig

DISTRICT 6:

Several members attended Town Hall Meetings in Manitowoc, and Two Rivers. The meetings were about the high rates of alcoholism and drug addiction in our communities. We learned the percentage of alcoholism in Manitowoc County is higher than the whole state. We were given time to talk about Al-Anon as well as giving out literature.

We plan to attend more town hall meetings in the future as they will be set up in our district.

I am working with Annie S., the state contact from Northeastern Wisconsin Area Health Education Center to see how we can get Al-Anon involved in more of these town hall meetings in the state. She took Al-Anon literature to distribute.

We have a new group in Two Rivers that will be starting up in the fall.

We have someone that is working on starting a group with Taycheedah prison in Fond Du Lac.

Regards, Pat S., DR District 6

PROJECTS/GOALS:

1. Spring workshop- Held at the Heckrodt Nature Center in Menasha, 4/6/13. We had a good turn out with 36 people attending, representing 11 groups. We had 5 speakers; 1 Keynote and 4 panel speakers. Our theme was 'Let it begin with Me' We also attended the Spring Assembly with, I think, 6 groups represented.
2. Our Hotline cell phone has had an average of 1 call a month. We have the entire year covered for volunteers to monitor the phone, and minutes on it through November.
3. Our Public Outreach committee meets each month and has a good turnout, even though they currently do not have a chairperson.
4. We will be focusing on trying to get all of our groups represented at our district meeting, by making it fun to be a GR, and not all business. We will be adding a new topic to our meeting's Agenda... **Treats /Activity** . I will dedicate a minimum of 5 minutes to this topic. Not sure what they will look like
