AREA ALATEEN PROCESS PERSON (AAPP) Coordinator – Mary S

Report: Thanks to Connie O's wonderful attention to detail, I'm becoming very familiar with the depth of the Area 61 AAPP Coordinator's responsibilities. Please give your appreciation to Connie O, your outgoing Alateen and AAPP dual coordinator, for all the work she has done behind the scenes to organize and maintain the AAPP files.

A list of questions is ready for my participation in the WSO phone conference/online training for AAPP coordinators on February 9. There'll be more to report for the Spring Assembly.

ARCHIVE COORDINATOR – JAMI C:

PROJECTS/GOALS: *Current or long-term projects or goals proposed for the AREA Archives.*

1. I have begun the process of sorting the AREA's many plastic bins and other assorted storage containers that hold all of the archived material. My goal is to gain a full of understanding what exactly is in our collection. At the same time I am working to get a better idea of how we can use current digital technology to preserve the paper archives that are the vast majority of our collection.
2. My second and maybe most pressing goal is to research and bring my finds to the group about faster and higher quality scanning options than my HP all-in-one printer, scanner and fax machine that I am using at this time.
3. My third goal is to pull together a display board for the Spring Assembly.

Thank you for allowing me to serve as your AREA Archivist.

Respectfully submitted,

Jami Camburn

CONVENTION COORDINATOR – MARY S:**Area 61 AFG . . . Spring AWSC 2016**

Convention Coordinator report

Already busy in Oct. 2015 securing venue for Al-Anon Convention

Date: **Oct. 20-22, 2017**

Place: **Chula Vista Convention Center Wis. Dells, WI**

Convention Chairpersons: Cathy Trojan and Ann Jennings

Convention Program and Speakers Chair: Carol Vandenberg

We toured this venue and another. Chula Vista is proving to be most generous with our primary purpose, will provide us with all their best facilities and is giving us a great rate on hotel rooms.

The Convention Committee is hoping to meet during Spring AWSC.

We do have a growing list of volunteers willing to step up to facilitate the various aspects of putting on a convention.

Please spread the word and mark your calendars in ink☺

LITERATURE COORDINATOR – ARLA P:

SUMMARY:

Ferrell was kind enough to drop off the Area literature materials and give me an overview of the responsibilities of the position. It will now be a learning curve for me to internalize all the information and familiarize myself with the set up and take down process. I'll be placing an order soon in order to have necessary CAL for the Spring Assembly.

PROJECTS/GOALS:

1. I hope to effectively fill the shoes of Ferrell, past Literature Coordinator!
2. I hope to develop a binder for this position that will be helpful in passing information on to future Literature Coordinators.

QUESTIONS OR ISSUES:

Is there a template for Coordinator Reports and where might it be found?

Thank you for the opportunity to be of service.

Arla P.

Public Outreach – George B:

The webmaster (Sandi) contacted me to coordinate editing and publishing an Outreach Packet to go with the wonderful slide presentations created by the last public outreach group. I'm looking forward to being a part of making the total package something that is useful, memorable, and worthy of passing along to those who are seeking information on AI-anon.

I also received the box of Area Public Outreach information in January officially transferring the role of coordinator/chair from the last panel to this one. Hope to see everyone safe and sound in March. This is exciting!
