**AREA PROJECTS/GOALS:**

The first year of Panel 56 is over and what a grand year it was. So, now to the business of the future.

In addition to the ongoing business of the Area, my job over the next 18 months (prior to elections) is to educate our membership on the Joys of Area Service, the qualifications for each position, and what each job does. I'll also be working on improving the transition (hand-me-down) process so that each new Officer and Coordinator will be able to step into their new position at the beginning of the next Panel more easily.

TO ALL OFFICERS & COORDINATORS: Please review and begin updating your job description to make sure it reflects the current reality of your position and recent changes to Area structure. Contact me for questions and an updatable version.

Below is a draft of the topics we plan to cover at the Spring 2017 AWSC, subject to change. The final agenda will be distributed prior to the meeting.
