PROJECTS/GOALS:

1. I took some time for myself, so my report does not indicate much progress.
2. I am on the Midlake Planning Committee – Wisconsin is the Host this year. We have met four times in Oshkosh and will have four more meetings before May.
 - a. Don B., Carol V., Maggie McV. and myself worked on creating “new” Midlake Guidelines for all three states to use. We will have to do some rewrite, but overall I think everyone will approve.
 - b. One positive item was the creation of a CRB (Conflict Resolution Board). There will be committee members from each state. We will use the WSO Conflict Resolution wallet cards. The committee will be available throughout the event, so if issues arise, they can be handled right away.
3. I am also on the AFG Convention committee along with Mary Sc, the AAPP. I am happy we will have some time between the two events.
4. WSO has revised the AMIAS Workshop training modules. On my to do list, is an action item to add information pertaining to Area 61.
5. Also, note: WSO has revised the Alateen e-manual. It is available on their website.
6. Mary is doing such a fantastic job as AAPP, I have lost touch with statistics on our Alateen Groups.

LITERATURE COORDINATOR – ARLA P:

Date: August 5, 2017

Event: AWSC

Name: Arla Prestin

Position: Literature Coordinator

SUMMARY:

Following the Spring Assembly, literature was taken to the District 9 Workshop in Montello, WI. In addition to that event, an inventory of CAL as a semi-annual task has been completed and a CAL order is being compiled/submitted for the Fall Assembly and WI State AFG Convention.

AREA PROJECTS/GOALS:

1. Reviewing and revising the job description for the Area 61 Literature Coordinator has been completed and has been shared with the Area Chairperson.
2. I have committed to presenting a CAL writing workshop for the WI State AFG Convention. I'm presently working with Jami C. and Carol V. to put together a Power Point for that event. Thanks, ladies!
3. Tidbits of information regarding specific CAL:

*Did You Know?...*there wasn't always a *Service Manual* to use as a resource when questions arose? The following is quoted from page 1 of the *Service Manual* (P-24/27):

“Questions pertaining to the Twelve Traditions and the Twelve Concepts of Service continually arise within our fellowship. Over the years, four booklets were introduced to assist members in resolving specific situations. In 1992, the four booklets were combined into one and retitled *Al-Anon/Alateen Service Manual* (P-24/27). This *Manual* reflects the collective experience of our membership in its ongoing effort to interpret the Traditions and Concepts of Service in a spirit of unity and harmony.”

“Members seeking answers to specific questions of special situations may well find guidance within these pages. The Contents pages and an Index list the many topics addressed.”

“To reflect new information and changing points of view, an online version of the Manual is updated between printings as changes are made. It can be found on the Members’ Web site, www.al-anon.alateen.org/members. Al-Anon/Alateen members may initiate revisions to the Manual at any time by making suggestions to their District Representative, Area Delegate, or the World Service Office.”

Each *Manual* edition covers 3 years span of time. Our present version spans 2014-2017. An accompanying piece of CAL called *Al-Anon and Alateen Groups at Work* (P-24) is a condensed resource for members and groups which includes meeting format, as well as ideas and information to encourage group unity.

QUESTIONS OR ISSUES: When our district was faced with a contentious issue, some GR’s, who had not been involved at that level for years started participating. Now that the issue has been resolved, they no longer attend again. How do other districts successfully promote Concept 4, “Participation is the key to harmony”?
