

WIUPMI Area 61 - Spring 2018 AWSC

KBDM Exercise

ISSUE:

When our District was faced with a contentious issue, some GR's, who had not been involved at that level for years started participating. Now that the issue has been resolved, they no longer attend again. How do other districts successfully promote Concept 4, "Participation is the key to harmony"?

FRAME:

A healthy District must have active, participating members. There are times when an issue or project will attract new participants at the District-level, but this participation fades when the issue is solved or project is complete. The DRs in our Area are looking for ways to keep our GRs and other members involved in the Districts' business and activities.

Answer the KBDM questions:

1. What do we know about our membership's needs, wants and preferences that are relevant to this topic?
2. What do we know about our resources (finances, membership participation, etc.) that is relevant to this topic?
3. What do we know about the current realities (membership, culture, etc.) and our fellowship's environment (technology, spiritual principles, our Steps, Traditions, and Concepts) that is relevant to this topic?
4. What are the ethical implications of our choices (pros and cons)? In other words, will our decision be consistent with our spiritual principles.
5. What do we wish we knew but don't?
