1. Thinking abundantly, we have decided to start a "Library Project" which will include providing books to libraries within our district and educating librarians what Al-Anon is all about. Included in this we will be checking to see if any of our libraries already have any CAL and then to make sure these are checked out

on a regular basis. We may also look into providing *Forum* subscriptions to the libraries. We are researching more possibilities.

2. We will be holding our annual workshop on Saturday, June 9, 2018, at the Trinity United Meth Church in Montello. The theme is "Discovering Choices" and will be based on the CAL book of the same name. We will ask Arla to bring literature and the lunch will include sandwiches and sides. Flyers will be available at the Spring Assembly.

3. We decided to purchase copies of *Discovering Choices*, *Many Voices*, and *AFGs Classic Edition* as WSO was offering special pricing for a limited time for these books. We are also ordering more soft cover *How Al-Anon Works* that we will offer to our groups to give to new members or use as they see fit.

We are planning an open speaker event with chili lunch and Valentine card making Feb. 11. April 29th we will host a writing workshop.
