A start to a new panel, how exciting! First, I'd like to thank all our new Area Officers, Coordinators (O&Cs), and DRs (District Reps) for stepping up to their new service positions. If it is your first time in an Area role, welcome to the AWSC (Area World Service Committee) as well. I'm looking forward to work with each of you during these next three years. Each of you brings a wealth of experience, strength and hope that our Area needs and appreciates.

Please contact me any time at my Area email address, [chairperson@area61afg.org](mailto:chairperson@area61afg.org).

Gratitude in service,  
Ann

Getting started as the Area Secretary.

**QUESTIONS OR ISSUES:**

1. The Secretary's computer is over 10 years old, and is very slow. I would like to have it replaced as soon as possible. My recommendation is a 1 terabyte or 500 gigabyte hard drive, with 8 gigabytes of RAM, Office 365 (renewable at about \$100 per year), a 15" screen. I think we can use the existing mouse.
