AREA PROJECTS/GOALS:

In May, I attended the Midlake Alateen Conference for the first time. What an amazing experience! The teens organize the entire event and it shows. They put their hearts and souls into hosting a conference that is both fun and healing. I was particularly moved by the Alateen speakers telling their heartbreaking stories and how far they have come.

The next generation of Al-Anon members is going to Rock It!

I received a bookmark love gift at the Conference with the words from the song, "Lean on Me". Here's my favorite part:

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
Till I'm gonna need
Somebody to lean on.

If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me
