

AREA 61 COORDINATOR/OFFICER REPORT

Date: 8/3/2019

Event: August 2019 AWSC

Name: Ann J

Position: Chairperson

Our Area is busy getting adjusted to many new changes in such things as positions, committees, 'forces' and meeting formats to name a few. Even the Policy Committee is trying a new meeting format by having a phone conference meeting in July instead of waiting for the evening before the AWSC meeting. For me it's very exciting and a little nerve racking at the same time. I keep telling myself that change is good, and it all takes time... Hope your 'changes' are bringing extra excitement to your summer!

Please contact me any time at my Area email address, chairperson@area61afg.org.

Gratitude to for the *Courage to Change* through service,

Ann
