AREA ALATEEN PROCESS PERSON (AAPP): Joanne F.

1. Recertify all AMIAS before Aug 10.
2. Record purging

QUESTIONS OR ISSUES:

1. Recertification of AMIAS had been extended for the Area. The Area's due date is August 15. I request that I receive all those who wish to be recertified by August 10th. The extension is due to the pandemic.
 2. Update and recertification of Alateen meetings- please list all the information even though it seems the same. This gives me the opportunity to make sure that the WSO information is correct.

AREA LIAISON: Jeri V.

1. Our biggest annual fundraiser in March was cancelled. The Service Board and Intergroup are looking at options for rescheduling in some form or postponing until next year.
 2. A handful of meetings in Southeastern Wisconsin have started meeting in person. This week the Service Center started hosting beginner meetings after three months of not meeting.
 3. The office is making a donation to the World Service Office. Members have been generous in their donations to the office and we have enough to pass some on.
 4. Literature sales have been low with the pandemic. Leaders of meetings with book studies have gotten creative with getting books to members.
